HIGH SCHOOL MEETS MANUAL.

Teams Will Tie Up for Interscholastic Match Game To-Day-Preparations for Scholastic Meet.

Eight men will be sent by the Misseuri Normal School to compete in the State athletic meet at the Christian Brothers campus Saturday, word to that effect having been received yesterday. The delega-tion will be headed by J. C. Grover, captain of the school track team, who holds the record at the institution for 100 yards and the quarter mile.

Johnson and Bliss will be the mainstays of the institution in the mile event. Johnson ran second to McCarthy last year, Mc

son ran second to McCarthy last year, McCarthy then being a student at C. B. C. and a competitor from that college. McCarthy is at Rolia and would be a dangerous man in this event had his team been able to take part.

In the weight events the Normal hopes to make a record similar to that of M. S. U., which has turned out some really good men this year. The Normal squad is hopeful of winning their share of the points.

Among the Christian Brothers entries will be found several of last year's experts, together with some promising young material. Hastlidt and Longinotti, two of the best sprinters in this section, will represent the institution in the 100 and 220 yard dashes. Hastlidt also being entered in the quarter mile.

Will Jackson, C. B. C., will represent his college in the quarter. He made an excellent showing in this event hast year and should be a strong card for the Brothers. January has been doing well in the hurdle events and is one of the newly developed men at the college in this branch of sport. Logsden will be a dependence of the college in the mile run, while the weight events have drawn out quite a lengthy list of promising candidates. The three colleges entered seem to have excellent chances, all being evenly matched.

If High School wins, the pennant will go to the Grand avenue team, Even should High be defeated, a series will be necessary before Manual can win the title. From all appearances, High should win this afternoon. The team's record is one long series of victories, and the only game which it failed to capture was the tied contest with Biees. This affair lasted thirteen innings and ended in a 1-to-1 score. Later the teams met and High won by an overwhelming margin.

This afternoon's match is carded for 3:15 and a good game is expected.

In most events the teams are evenly matched. Lamb and Stanard will the up in the hammer throw, and this event should be about the best scholastic weight event ever witnessed here. Both boys have thrown more than 120 feet, a remarkable performance for school candidates.

In the hurdles, both have good men. Mersing was sick shortly before the High field day and did not do himself justice in the events. He will most likely represent his school in the events over the sticks. Lawrence will appear for Smith Academy in these races.

Boothby seems to be about the strongest contestant in the distance events, and he Cleveland, O., May 27.—Cleveland was shut out by Chicago to-day, the visitors scoring their only run in the ninth inning on Bernhardt's error, followed by Daly's two-bagger. HIGH'S SECOND TEAM BADLY BEAT SMITH SUBSTITUTES.

Game at Pastime Park Resulted in Score of S to 1 in Favor of the Grand Avenue Boys.

After playing three innings in rapid order, with good work shown by both teams, High School's second nine finally secured a lend over the Smith second team, and wen the match at the Pastime Grounds yesterday by the score of \$ to 1. After scoring two runs in the fourth, High was never in danger. Save for a solitary run in the ninth inning. the Smith boys were unable to score against their opponents. Earl Smith did well for his team by striking out eight Smith men and placing fifteen assists to his credit. In combination with Rabensteiner, he proved a combination with Rabensteiner, he proved a far stronger proposition than did Scott and Fullerton, who served for Smith Academy. Seven hits were made off Scott, and but one off Smith, One error was credited to the High School men and four to Smith Academy. In spite of the rather one-sided score, the teams seemed evenly matched enough to make the first six innings most interesting.

enough to make the first six innings most interesting.

As High scored again in the seventh, making its total to that period five runs, the contest decreased in interest. Three more runs were rolled up by the victorious team in the eighth, and Smith Academy's solitary run was of no avail.

Goerner played a good game at second base for the High School, and is a promising youngster at this branch of sport. High's line-up: Pierre, left field; Grace, center field; McCully, right field; Bruters, third base; Pettier, shortstop; Goerner second; Moser, first base; Smith, pitcher; Rabensteiner, catcher. TWENTY ROUNDS WITH FELTZ. Men Will Meet Before the West End

Club Te-Night in a Bout at 122 Pounds. Tommy Peltz and Brooklyn Tommy Sul-

Save in the Fitz-Jeffries exhibition. which cannot be classed as a regular event, the weightfest men to appear have been Mike Schreck and Hugo Kelley, middle weights. The introduction of hevay weights as curtain raisers will be something of a novelty.

Hogan is a brother to Billy Hogan, who will be remembered as the manager of Mike Schreck and Eddle Toy. He is said to be a rushing fighter, and to have many points of Schreck's style about him. On record he classes higher than does Haley.

Haley was formerly a sparring partner of Oscar Gardner, serving as trainer for Oscar when the latter was a leading feature in the ring. He fought on the steamer Hill City last spanse, beating Jim 2000.

whose seconds threw up the sponge in the third round.

Both principals of this evening are well known. Feltz was a tough proposition in the bantam class, and seems an equally hard nut for any feather-weight fighter to crack. He probably will be favorite in any betting which may be done this evening. His last appearance here was two weeks ago, when he knocked out Clarence Fornes in the first round.

Tommy Sullivan has fought here often, his last hattle having won a decision over Clarence Forbes after iwenty rounds of battling. Harry Sharpe will referre.

The opening event will go on about 8:45 o clock.

in moderate supply, but few wanted. Pigeons slow; quotations unchanged.

Dressed Foultry-Receipts to-day 959 pkgs. The fresh receipts were light this morning, but there was considerable carried over unsoid from Monday and yesterday, so that the available supply was fully equal to the moderate trade. Some receivers talked strong on fowls, but to do business freely 12½ was only exceeded on some thing very fancy, while most of the fowls came in short of ice and soft, and went at lower prices. Invoices for later in the west were quite free, and as much of the Southwestern will not get in until late the outlook is none too bright. Fresh-killed turkeys firm. Our reconstructed to the southwestern will not get in the best were quite free.
